Mr. Domenick has no civil, criminal, administrative or regulatory events to report. Additional information regarding Mr. Domenick's registration as an investment adviser may be found by accessing the SEC's public disclosure website at <https://www.adviserinfo.sec.gov>.

Item 4 – Other Business Activities

Mr. Domenick is the Owner, Managing Member, and Licensed Insurance Agent of Capital A Insurance, LLC. Mr. Domenick offers life insurance and annuity products and may offer those products to persons that are also clients of AE Wealth Management. When he sells an insurance product, Mr. Domenick receives a commission. This presents a conflict of interest because it creates an incentive to recommend investment products based on the compensation received, rather than on the needs of clients. AE Wealth Management addresses this potential conflict with disclosures and supervisory procedures, which require all investment advisory recommendations to be in the best interest of our clients. Clients are under no obligation to purchase any product or service and may do so through another insurance agent of their choosing.

Mr. Domenick is an Author using Capital A Wealth Management LLC, as the publisher he is also the Managing Partner of Capital A Wealth Management offering Investment Advisory Services.

Item 5 – Additional Compensation

Mr. Domenick may receive compensation or benefits through his affiliation with Advisors Excel, LLC (and/or affiliated companies). Such additional compensation generally consists of cash bonus payments and reward trips based on insurance product sales performance. This presents a conflict of interest, as it creates an incentive to meet sales goals. AE Wealth Management addresses this potential conflict with disclosures and supervisory procedures, which require all investment advisory recommendations to be in the best interests of our clients.

AE Wealth Management investment adviser representatives may receive bonus payments from an insurance company for selling a targeted number of annuities during a specified period of time which creates a conflict of interest. AE Wealth Management investment adviser representatives may also receive bonuses based on their overall assets under management during a specific period of time. These bonuses may include cash payments and/or qualification for networking and business trips. These benefits are not a result of achieving sales quotas related to specific product lines. This presents a conflict of interest which AE Wealth Management addresses by providing disclosures, following procedures and the firm's fiduciary obligation to each client.

Item 6 – Supervision

AE Wealth Management and its investment adviser representatives provide investment advisory services in accordance with AE Wealth Management's Written Supervisory Procedures. Our Written Supervisory Procedures include provisions for systematic reviews of the investment recommendations made by our representatives and of the securities that are held in our clients' accounts. Our Chief Compliance Officer, Shawn Scholz, is primarily responsible for the implementation of our Written Supervisory Procedures and overseeing the activities of our investment adviser representatives. Clients may contact Mr. Scholz at (866) 363-9595 or shawn.scholz@ae-wm.com with any questions regarding our supervision or compliance practices.
