About Reader's Choice Winners Circle!

For 17 years, Cranberry Eagle readers have voted for their favorite local businesses through our annual Reader's Choice contest.

Every December & January for 5 consecutive weeks, we run ballots listing over 200 local business categories. We receive thousands of ballots submitted by our readers who are voting for their favorite local businesses.

While the business categories are chosen by the Cranberry Eagle, our readers vote for the winners. We acknowledge that some winners might not exactly fit the category description, but we report the results as expressed by our readers.

In addition to supporting their local businesses by voting for them, all ballots are entered into a drawing for a chance to win some great prizes donated by local small business owners.

You're in the right place

As one of the five main human senses, hearing plays an important role in our quality of life.

It keeps us connected, ensures we don't miss out on life's best moments, and is proven to factor into issues like loneliness, falls, cognitive decline, depression and more.

So when your hearing starts to go, it's wise to treat it.

Starkey's Edge AI hearing technology — **in the hands of an experienced hearing care professional** — is today's smartest way to treat hearing loss.
